

"Being a part of the FLA basketball team throughout high school has been fun. I have loved playing with my friends and bonding as a team over the years. The most fun about the seasons have been the trips. When we go to tournaments and just laugh and have fun playing together, it truly makes the trip a great experience. This is a team I will never forget and I'm thankful to have been on this team."

# "We Do"

Ah, the Senior Bible project. Students in every grade are used to partner or group projects, but it is the Seniors who have the most intense version of this education standard.

Some Seniors couldn't wait to complete Rodney McFadden's Wedding Project for Bible class; others dreaded it daily. All could agree by the end that it was most certainly an experience they'll never forget.
